# Circle News!

The Circle announces some changes to its structure, aims and purpose. While the Circle will continue to honor its commitment to serve the pagan community by hosting frequent events open to all interested seekers, we feel the time has come to spend more time nurturing and strengthening the Circle and providing mentoring and spiritual sustenance to its members.

This new structure is called The Inward Spiral, and reflects a reordering of Circle priorities. The new emphasis will be on providing a spiritual home for those who wish to actively practice their faith, to perform ritual and magickal workings and to learn and grow in a close group setting.

Opportunities are available for interested spiritual seekers who may wish to pursue Circle membership to participate in some closed events, including Sabbat Rituals, which will replace the Open Full Moon Rituals as the group's ritual focus.

The Circle is a 'leaderful' group, meaning that it is a place for those who wish to develop and/or utilize their leadership skills in a group setting.

Members are expected and encouraged to actively participate in the spiritual and mundane tasks involved the Circle's work. The Circle has a mentor program for new members, a Master of the Magickal Arts degree and also offers Clergy Dedicant training and opportunities for those who wish to pursue Circle Clergy ordination.
